Sport

The image shows the front interior of a car. The dashboard is dark with a large, vertical infotainment screen in the center. The screen displays a home screen with various app icons like navigation, music, and phone. Below the screen is a gear selector and handbrake. The steering wheel is dark with a silver V logo in the center. The seats are upholstered in a dark, textured fabric. The overall design is modern and minimalist.

Spacious For All

The unbound comfort comes in much legroom, headroom, and shoulder room for all seats. Bring more with bigger luggage space by folding the second row seats.

The image shows the interior of a car, specifically the rear passenger area. A large, semi-transparent blue graphic overlay covers the left side of the frame. Through the rear window, a beach scene is visible, including sand, waves, and a cloudy sky. The car's interior features dark grey fabric seats and a black plastic trim piece near the window.
